PROFESSIONAL SUMMARY

As a dedicated Software Developer with a passion for Front-End development, I am committed to continuous growth in the tech industry. My collaborative nature is coupled with a creative, communicative, and adaptable approach to every project. With a background in Graphic Design and strong design thinking skills, I am uniquely positioned to contribute as a UX/UI designer. I thrive on applying design principles and user-centred thinking to craft exceptional user experiences. Currently pursuing further programming knowledge through remote studies at Unicesumar and having completed an intensive Bootcamp at Codeworks.
